INTRODUCTION

Kristi believes consideration, respect, and honesty are at the heart of building strong relationships.

Kristi spent more than twenty years working in TV newsrooms and is now often asked by media outlets to share etiquette advice.

Kristi and The Polite Company help people navigate work and social situations with practical advice and a sense of humor.

RELATIONSHIPS OVER RULES

Etiquette isn't about memorizing a set of rules; it's about building relationships and learning skills that help us succeed.

SPEAKING TOPICS

- Civility at Work and Why It Matters More Than Ever
- Polite, Not Passive. How to Say No and Set Boundaries
- First Impressions That Open Doors
- Modern Manners Today. Tipping, dining, and interacting in public

“ WHAT PEOPLE SAY

Kristi has politeness and etiquette running through her veins as core values. A conversation with Kristi makes you want to be better.
